Mr. Andrew E. McDonald,

Dear Sir:

Enclosed please find a 1/12 real of 1845 of Paraguay. We do not know of any coin of Paraguay having arms on the obverse other than the star. We believe there has been a recent issue of the coins of Paraguay and that about 2 years ago we saw a specimen but none have come our way as yet nor have we any of the dollar pieces.

Respectfully

Mr. A. E. MacDonald,

Dear Sir:-

Kindly remit us the \$2.25 for coins sent you in June and July and if you desire the following piece, add the price to the Post Office Order and it will be sent. Philippine Islands, 1904, 50 centavos, size of half dollar, extremely fine, 80%. Just bought a set and can sell you this piece from it if you wish.

Yours respectfully,

S. H. Chapman

S. H. & H. Chapman - Gentlemen, -

I enclose the amount (\$2.²⁵/₁₀₀) to balance my account in full, and thank you for your leniency and kindness. I have been absent from the city for some time - on vacation - as I told you some time ago. Oct - 11th 1904,

S. H & H. Chapman - Gentlemen.

I want you to send me a silver coin of Norway - called 1 Kрона. - about the size of a quarter dollar - It has the Norway arms (a lion & battle axe on shield) and over these arms the value "1 Kрона" and across - on each side of the arms the value 30. SK. they were coined between 1875 and 1885 I think - and the coin is fully illustrated in Scott's silver catalogue. I send you herewith as near as I can a picture

of the piece I want. - or
if you have not this piece
perhaps you have one of
the present Kronas, without
the 30 SK in field, but
I would like the former
piece if you can send it
to me. - I have Sweden
and Denmark - and want
same size of Norway. -
please see what you can
do for me. - and if you
have 2 or 3 different types
of Norway-silver ($\frac{1}{4}$ dollar size)
send them to me to pick
out what I want (if you
have not a nice 1 Krona

with the 30 SK on face)

I will trust you to do
what you can in the way
of a nice plain piece, &
will await your answer with
expectancy - and hope of
favorable reply.

Yours Very truly

S.H. & H. Chapman - Gentlemen,

I wrote to you two weeks ago - asking you to please send me a silver 1 Krona - 30 Skillings of Norway - with the Norway arms - lion & battle-axe on a shield - I enclosed a drawing of the coin I want. - it is the same size as the 1 Krona of Sweden - and also of Denmark (which I have) - But the Krona of Norway has the beautiful arms of Norway - and above the arms, the word 1 KRONA. - and across on each side of the arms is 30 SK. These were coined between 1875 and 1885 I think. Kindly do what you can to send it to me - or send me a silver coin of the size of a Krona - or a little larger - like the old style 12 SK. or 24 SK. (I have both of these)

Yours Very truly

S. H & H. Chapman - Gentlemen. -

It is strange that you have no silver coins of Norway - with lion and battle-axe on shield - I thought they would be easy to get there. - I have seen several in years past. - They had the 12 SK. - and 24 SK. - and 30 SK. - and $\frac{1}{2}$ Specie - and 1 Specie, or dollar. I want the 24 SK. - or 30 SK. 1 Krona, - or the $\frac{1}{2}$ Specie, try and send me a plain price if it is only the common 24 SK. - and send me also - a good nice 1 Itzboe of Japan at about 50¢ or 60¢ - I will thank you if you can get the Norway coin -
